Traffic Hits New Record On 40; Truckee Second

New Records Are Expected As Travel Figures Still Rise

Traffic into California via Truckee zoomed up from 28,429 automobiles in May to 42,505 for June, according to the monthly report from the department of agriculture which maintains a count at the Truckee plant quarantine station.

As a result of the check, it was revealed that the local port of entry into the state held a strong second place, being exceeded only by Yermo where 53,591 cars were checked into southern California.

Stateline on Highway 50 reached 10,370 cars, 195 trucks, 36 buses and a total of 29,346 passengers during June, as compared to 6,890 cars during May, the report shows. Brockway had 2,913 autos checked and a passenger count for all vehicles of 7,445.

The Brockway station opened on May 3.

The passenger count at the Truckee station was 125,188.

Two thousand, nine hundred and eleven commercial vehicles and 723 buses were also checked here.

Travel through Truckee gives promise of exceeding all past records by a large score.

A total of 197,263 cars, 22,163 trucks and 3,567 buses with a total passenger score of 581,453, was recorded for the 18 border stations maintained by the department.

CHAMBERS WILL SPONSOR BOOTH AT NEARBY WYE

TAHOE CITY— Charles Cross, C. W. Vernon, both of Tahoe City, and P. M. Burroughs, Tahoe Vista, attended the Truckee Chamber of Commerce meeting last Thursday evening.

The group has agreed to cooperate in the operation of an information booth to be placed at the Truckee-Tahoe wye of Highways 40 and 89. The booth, which is now stationed at the Tahoe City wye, operated last summer but is not needed there now since the Lake Tahoe Chamber of Commerce office has been moved to the Kilner Building. It will be moved by the Truckee-Tahoe Lumber Company gratis to the proposed new location this week. All areas of this region—Truckee, Lake Tahoe, Donner Lake and the summit—would benefit by the placing of the booth in the new location.

Recent Arrival Here Makes Unhappy Start

Ernie Kaakschlief, 21, who arrived here last week from Hamburg, Germany, with his wife, a niece of Jack Wolert, had a sorry initiation on his first job when a pile of cement fell on him Wednesday morning, causing serious injuries.

Kaakschlief was attempting to remove a bag of cement from the top of the pile when the stack toppled over, knocking him to the ground. He suffered a broken left collar bone and two ribs were broken, causing chest injuries. He was treated by Dr. L. D. Nelson and will be confined to his home for some time.

Seibold Assumes Chair In Truckee Lions Club

Robert Seibold presided at his first meeting of the Truckee Lions Club as president last night at Donner Lake Lodge. He named his committees and outlined policies for the coming year. Visiting Lions were E. P. Graham and J. A. Littlefield of Berkeley and Gus Benjamin of Wendover, Utah.

Flys from Washington To Visit Tahoe Kin

KINGS BEACH— Mrs. Georgia Wiggins of Washington, D. C., is enjoying a two weeks visit with her sister, Mrs. Unadell Crawford. Mrs. Wiggins flew to Pasadena for a short visit with her daughter, Mrs. Patty Schliestett, supervisor of music in Whittier schools, who brought her on to Tahoe Vista for a never to be forgotten visit with her sister. Mrs. Schliestett enjoyed a week with mother and aunt before returning south.

Wyethia Club Silver Tea At Buell Home July 20

The garden of the T. T. Buell home will be the attractive setting for the annual silver tea of the Wyethia Club, to be given on Friday afternoon, July 20, between the hours of 3 and 6 o'clock. Mrs. Walter Loynd is chairman for the affair. The event will replace a regular meeting of the organization.

Kearney Retires After 50 Years On Ranch In Truckee

Truckee lost one of its oldest and best known citizens last week when Frank F. Kearney, who operated a chicken ranch near here for more than half a century, left to make his home with a son, E. J. Kearney, eight miles out of Roseville.

Following the death of Mrs. Kearney last winter, Kearney determined to sell his prosperous little ranch and retire. He found a ready buyer in Mr. and Mrs. Louis Handly, who have taken over the property.

Kearney and his son have erected a small home on the ten-acre tract belonging to the latter's brother, Frank, and will establish bachelors' quarters.

Kearney came to Truckee from Empire City, Nevada, in 1875 and resided here for four years when he went to Los Angeles for one year, returning to Truckee in 1880. Since that time he has been a constant resident of this town.

In 1897, while working for the Southern Pacific, he bought a small incubator and brooder and started out in the chicken raising business. After a three year trial, he gave up his work with the railroad and started out in the industry on a full scale.

Kearney reports that during the 51 years he has operated the chicken business in Truckee, where weather conditions are not particularly adapted to such a venture, his thriving venture produced more than $600,000 in poultry and eggs.

Mr. and Mrs. Kearney raised five sons and five daughters on their ranch. It is with considerable regret that his neighbors and friends bid Mr. Kearney farewell and all join in wishing him the best of everything in his retirement.

PROGRAM EXPANDS FOR RECREATION IN THIS DISTRICT

New activities have now been added to the Tahoe-Truckee summer recreation program.

On Tuesdays the Tahoe Lake School playground will be open from 1:30 p.m. to 4:30 p.m. On Thursdays the Truckee Elementary School playground is now open between the hours of 1:15 p.m. and 3:30 p.m. Such activities as softball, soccer, touch football, badminton, volleyball, checkers and play on the apparatus are featured.

Starting Friday, July 13, golf instruction will be given by Angelo Bonino, professional instructor at the Tahoe City course, under the sponsorship of Carl Bechdolt Jr. Lessons will be at 5 p.m.

Mrs. Ivy Tackett, former swimming champion of the Oakland area, is now assisting with the swimming instruction for the Truckee-Donner Summit group. This group uses the Beacon Hill Lodge pool on Tuesdays and Thursdays, facilities donated by Elmo Moriano, Beacon Hill owner and manager. Recreational hikes are now being planned, such hikes to be on Fridays.

Ermin Hintz Flies To Idaho to Claim Bride

Ermin "Slim" Hintz of Truckee flew to Boise, Idaho, from Reno last Friday, July 6, where he was married to Doris Still in a quiet ceremony there. After two days with his bride, Hintz returned to Truckee while Mrs. Hintz will remain at her post as a nurse in St. Alphonso Hospital in Boise for the time being.

The new Mrs. Hintz is expected here soon and will be welcomed by the many friends of her husband, who wish them both every happiness.

Cpl. George Lazzari Home from Texas Base

Cpl. George Lazzari was home on leave for ten days from his base at Austin, Texas, visiting his parents, Mr. and Mrs. Pete Lazzari, of the Star Hotel. He spent six days here and will stay a couple of days in San Francisco, accompanied by his mother and his grandmother, Mrs. Mary Mongolo. He will return to Texas by plane from San Francisco.

Mr. and Mrs. B. J. Riordan are vacationing at Santa Barbara.

Mountaineers To Meet Chester In Ball Game Here

Local Ball Team All Set To Meet Feather River Nine Sunday

After a week's layoff, the Truckee-Tahoe Mountaineers are primed for the baseball game here on Sunday with the Chester team of the Feather River League.

The locals walloped the Verdi aggregation here on the Fourth before a good crowd of fans and Managers R. N. Little and N. F. Dolley urge that this crowd be increased for the game Sunday.

With continued practice, the local team has developed into a far better outfit than at the opening of the season. The pitching staff will comprise Louis Goicoa, who pitched the full nine innings to win the Verdi game, Karl Kielhofer, John Rau and Frank Giovannoni. The latter will be used only if necessary, being a valuable man on shortstop where he has replaced Eddie Ulsheimer, who has proven himself a very capable second baseman.

Nuke Frates has earned a steady position on third base where he has played faultless baseball, and Ernie Dugan will take up his positon as catcher, a chore he has performed well dring the past two games.

Al Wakefield, who plays first like a veteran, will be in his usual spot Sunday while Kenny Foster, Les Davidson and Bob Stark will occupy the outfield. Billy Campbell will be used as utility man, Dolley said.

The game promises some real action and as usual the refreshment stand, one of the chief sources of income for the local club will be under the supervision of Little.

Leilani Braasch Feted On Birthdate July 9

Mr. and Mrs. L. H. Braasch entertained with a birthday party for their daughter, Leilani, on her fifth anniversary, July 9. Games were played, after which gifts were opened by the small honoree.

A white and green frosted cake, lighted by five candles, was served with other refreshments. Those attendnig were Mrs. Charles Kay and children, Liane and Quinton; Mrs. Fred Morris and children, Ann, Jerry and Dicky; Mr. and Mrs. W. A. Bottell and children, Lynnie and Eddie; Mrs. Bernice Brownfield of Sacramento, Bonnie and Carla Buell of San Francisco, and Kathy Braasch.

Recent houseguests at the home of the Braaschs were Mr. and Mrs. Charles Mark of Riverside, parents of the hostess and Mrs. Bottell.

OLDEST RESIDENT IS LAID TO REST HERE SATURDAY

Last rites were held Saturday under the direction of the Truckee Colonial Mortuary for Mrs. Louise May, 99, Truckee's oldest resident, who died at the home of her daughter, Mrs. Minnie Martini, early Friday morning.

Mrs. May had been in ill health for a number of years.

A native of Nevada, the deceased was born in October, 1852. She came to Truckee with her parents when only ten years of age and has made her home here since that time.

One other daughter, residing in the east, and several grandchildren survive.

Vern Whitten is Wed At Ceremony in Reno

The marriage of Mrs. Rachel Stock of Susanville to Vern Whitten of Norden was revealed here this week. The wedding was performed at the home of Mr. and Mrs. Luther Miller in Reno June 16, following which Mr. and Mrs. Whitten returned to Norden where he is employed by the Southern Pacific Company's water department.

Best wishes of their many friends are extended to the newlyweds.

With mounting taxes, over which we have less and less control, more people are giving serious thought to the possibility of incorporating Truckee into a self-governing city. The idea seems sound and businesslike and eventually this step must be taken if we are to enjoy the healthy growth required in a thriving community. Recent efforts by the Truckee Public Utility District to have the state legislature enact a bill making it possible for various local boards to be consolidated met with failure. This means that existing districts and boards will continue to function earnestly and to the best of their ability, but often serving dual purposes and duplicating efforts which naturally increase costs to some degree, as well as failing to accomplish the things which might well be possible under unification. Other communities have profited by incorporation and have managed to successfully govern themselves. The same thing is possible for Truckee and we sincerely believe the time is not too distant when we must take steps to correct a rather unnecessary situation which we now face.

Two Local Birthdates Observed at One Party

Complimenting their son, Rolland, whose birthdate occurred on Friday, July 6, and Mrs. Tony Pace, who had her birth anniversary on Sunday, Mr. and Mrs. William Gautsche served a decorated cake and other refreshments, following games of canasta on Saturday evening.

Ken Snider Enlists In U. S. Air Force

Mrs. Dave Rose left for Nevada City to see her brother, Kenneth Snider, who has enlisted in the U. S. Air Force and will leave this week for Texas, where he will start training.

Snider is well known here where he attended schools and was employed at Loynd's Truckee Drug before the family moved to Nevada City. He is the son of Mr. and Mrs. Hobart Snider, the former having been forest ranger here.

SNAKE KILLED

The persistent barking of a dog belonging to Mr. and Mrs. Jay Clark led to the discovery on Monday of a rattlesnake which was quickly killed by a neighbor, William Bailey. The reptiles have not been numerous in the district over a period of years.

Store At Kings Beach Robbed; Guns Are Taken

Burglars Break Door Pane To Gain Admission To Sportsman

KINGS BEACH— The Tahoe Sportsman store here was entered late Monday night and over $1200 worth of merchandise was stolen according to H. E. (Pappy) Brooks the owner.

Included in the loot were seven guns, two.30-06's, two .38 pistols, a .22 pistol, a .22 rifle and a .25 automatic. Also taken were hundreds of rounds of ammunition for all the guns and two carrier bags.

Constable Richard Lavery, who is investigating, said the burglars were evidently disturbed in their looting since one carrier bag and a great deal of ammunition were left on the floor. It is believed that several persons participated in the burglary.

Entry was made by breaking a door pane and tripping a latch, according to Lavery.

OUTBOARD RACES SUNDAY FEATURE AT DONNER LAKE

Hap Warnke reports that all is in readiness for the championship outboard motor boat races at the west end of Donner Lake Sunday, starting at noon. Eight races in all classes are scheduled and some of the west's fastest drivers are entered in the events.

Trophies will be awarded at Donner Lake Lodge Sunday evening and a buffet style chicken dinner will be served. Everyone is invited to witness the events and enjoy the evening.

County Buildings Here Are Insured for $54,970

Nevada County buildings in Truckee are insured for a total of $54,970. This was revealed in a recent insurance survey conducted by Stanley Halls and Robert L. Tamblyn, the county's two insurance agents of record.

This figure includes $47,070 for the Veterans Memorial Building here and $2,500 for its county owned contents, plus $5,400 for the jail here.

Throughout the county, buildings are insured for a total of $1,356,500 and their contents for $237,500.

Bay City Man Surrenders To Truckee Patrol Clerk

Loren Field, 20, San Francisco, walked into the office of the California Highway Patrol and informed Clerk Jack Tuohey that he wanted to give himself up.

Tuohey at first thought the man was kidding and went on with his work but when Field insisted that the car he was driving was stolen and that he had written several bad checks in San Francisco, the clerk notified Patrolman Roy Stallard who in turn notified the San Francisco police.

Field was temporarily booked in the local jail, en route to San Francisco.

American Legion Will Install Friday Evening

Commander H. L. Owens of Post 439, American Legion, reminds members of the installation of officers tomorrow night at 8 o'clock. The district commander and his staff will be on hand and all members of the post are urgently requested to attend.

Truckee Girl Gets Trophy For Model Plane Flying

Nona Rae Coffey, daughter of Mr. and Mrs. Glenn Coffey of Truckee, won a handsome bronze trophy Sunday for skill in handling her model stunt plane at Idlewild Park in Reno. Around 1200 fans attended the contests which provided an elimination for a national contest to be held next month in Detroit. She shares her hobby with her father, another model plane enthusiast.

Nona Rae observed her ninth birthdate here on Tuesday, July 10.

Donner Public Camp Will Be Open Saturday

The camp grounds at Donner State Park will open Saturday, July 14, according to Bill Flohr, park ranger. Flohr emphasizes that the opening applies only to campers and does not include picickers.

Picnic facilities will be opened as soon as possible, he said.

There are 54 camp units in the park, located on the south side of Donner Creek. Each site has a camp stove, tables and food locker. There are combination buildings available with showers and rest rooms. A fee of 50 cents per car per day will be charged and campers must check in at the ranger station.

Flohr said that no charge will be made for visiting the Donner Monument, driving through the park or using the beach on the lake for swimming.

FINAL APPEAL IS MADE TO DONORS IN CANCER DRIVE

James R. Leamon, chairman of the Truckee 20-30 Club's Cancer Crusade committee, reported that $188.75 has been collected here during the drive which definitely ends July 15. Anyone who has not contributed or who wishes to contribute more is requested to get their donations in before Sunday.

"Remember, this is a crusade to save lives and financial support to carry on the research, education and service to strike back and conquer cancer is necessary," Leamon said.

CRANDALLS PUT IN LOGGING BRIDGE ON TRUCKEE RIVER

Crandall Brothers, who operate a saw mill on their Hill Top property, have installed a bridge across the Truckee River just south of the Truckee Lumber Company's mill. This step was necessary when it was found that loads of logs and lumber were excessive for the county bridge on Bridge Street.

Crandalls report they are now cutting more than 40,000 feet of timber a day, most of which is being purchased by the Stockton Box Company, which company is also absorbing most of the production from George Kaspian's Truckee Lumber mill, now sawing over 60,000 feet daily. This increased cut by the latter company was made possible through the installation of a recut at the plant just west of town.

NEW HOMES RISING IN GATEWAY PARK, MORE ARE PLANNED

Mr. and Mrs. Lester Deckwa and family plan to move Saturday into the new home being completed at Gateway Park by Fred Calkins. They are currently living in the DeMai home in the same locality.

Another new home is being erected near the Calkins place by Mr. and Mrs. Ernie Iniechen and is expected to be ready for occupancy soon. J. R. Wolert is the contractor. At the same time lots are being cleared by the Vind brothers and Mr. and Mrs. Roy Waters a block distant in Gateway for new homes which are to be started soon.

R. Joseph, owner of the tract, said several others have purchased lots and plan construction in the near future.

WSCS Plans Meeting, Secret Pal Program

Mrs. Eugene Risden, president of the WSCS, announces that all members interested in becoming a Secret Pal of the organization are asked to contact her and give her their birthdate, date of wedding anniversary and full name. Mrs. Risden also said the next meeting will be on Thursday, July 19, at the home of Mrs. James Walker.

Goes to Home—

Mrs. Amelia Loynd, who has been under treatment in a Reno hospital for the past several weeks, left today by Truckee Ambulance for Oakland where she will enter a nursing home for continued required medical care.

Wild Auto Chase Will Terminate In Justice Court

Palo Altan Faces Several In Truckee and Alta Peace Courts

Delmer Truesdell Israel, 48, a Palo Alto tennis shop operator, is scehduled to appear before Justice of the Peace F. W. Wilson in the near future to face several traffic violations charges brought against him as the result of what officers described as on of the wildest chases in the record of the local highway patrol.

Israel, who was also cited in the court of Justice of the Peace Charles Crowe at Alta, is charged with reckless driving, improper passing, passing without sufficient clearance, failure to heed a siren and may also be charged with "jumping" the state quarantine station.

It all started at the quarantine station and ended with a collision near Baxters.

Israel, according to quarantine officers, refused to submit his car to search and when left alone for a moment, started his car and sped away in a cloud of gravel. The station notified Patrolman William Gautsche, who was off duty. The officer spotted the Israel car in Truckee but when he approached to question the driver, Israel dashed off with his horn blowing and sped west.

Gautsche called Patrolman Roy Stallard who was at the patrol office. As Israel sped by there, Stallard gave chase and with his siren open and red lights blazing, followed the car to Donner Lake. He forced Israel off the road and started to get out of his own car to question him, but as he stepped down, the pursued driver again stepped on the gas and tore up Donner Grade, splitting traffic, Stallard reported, forcing other cars off the road and narrowly missing Sharkey Foster, a flagman on a road job.

Seeing he was going to have trouble, Stallard radioed ahead to Patrolman Henry Uhde, who parked his white car across the highway at Cisco. Israel dodged the patrol car and sped on, reaching a speed at times of over 95 miles an hour, Stallard said.

Both patrol car took up the chase and road blocks were installed at Monte Vista and Colfax. As Israel neared Baxters, his car and one driven by William McCaddon of Peoria, Ill., collided and the Israel car went into the ditch where the officers finally nabbed him.

Israel blamed domestic troubles for his behavior, claiming he was emotionally upset.

$600,000 Suit Started Over Donner Collision

NEVADA CITY— The trial of a $600,000 damage suit in which Robert Allen, University of Nevada senior, charges he was injured in a car and truck collision near Truckee, opened before a superior court jury Monday.

The defendants are Wells Cargo, a trucking concern, and Kenneth Eoff, truck driver.

Allen's attorney told the jury he will introduce testimony showing the plaintiff's sight is impaired and injuries to his head and brain are permanent.

The crash occurred last October 11 near the foot of Donner Grade.

Hirschdale Couple Are Parents of Baby Girl

A daughter arrived for Mr. and Mrs. William B. Ledbetter of Hirschdale at Reno on July 3. The little girl was six pounds and 12 ounces at birth and has been named Valerie Ann.

Thomas Sapunor Jr. Married in San Mateo

Mr. and Mrs. Thomas L. Sapunor Jr. are living in San Francisco, following the religious nuptial ceremony performed in June in St. Gregory's Cathedral in San Mateo. Only members of the couple's immediate families attended the rites.

The bride is the former Johanna Hammans of Sacramento, where she was prominent in sorority and club circles.

Sapunor is the son of Mr. and Mrs. T. L. Sapunor of Sacramento, former Truckee residents. He graduated from the Christian Brothers High School and Santa Clara University. This year he took postgraduate work at Sacramento State College, where he was a member of Alpha Pi Delta fraternity. During World War II he served with the Navy.

All kinds of delicious cakes contributed by different ladies of the community will be served along with the ice cream from 2 o'clock in the afternoon until 7 in the evening. Everybody is invited.

The WSCS all-day work meeting was held at the Rev. and Mrs. A. Carmitchel home, Buena Vista, in Crystal Bay. Pot luck luncheon was served at noon. Meeting began at 10 o'clock in the morning. Sunday school is conducted regularly each Sunday morning at 10 o'clock at the Wee Kirk of the Pines Open Air Chapel on Bear Street with Sunday worship following at 11. To find the chapel, turn on Bear Street at the Blue Lagoon. Everyone is cordially invited. Beginning on Tuesday, July 17, wth Bible Study, all church functions including this weekly study hour will be held at the Open Air Chapel until further notice.

George Phillips celebrated his (Jack Benny) 39th birthday on July 12.

What a pleasant surprise to see Blanche Farei of Minden, formerly Blanche Peterson of Tahoe Vista, last Monday. Norma was up with her mother too and taking baby borther Sammy down to the beach for a view of the lake. Norma's husband, Fred Muller, is at present stationed in Germany.

Mr. and Mrs. James Steiner of Alhambra are guests for a week of the Henry Chandas at Tahoe Vista.

Leonard and Lois Chanda and children were also up over last weekend. Leonard is studying hard now to become a first-class dentist.

Friends of Mrs. Albert McEathron will be glad to know that she is back home from a Reno hospital where she underwent surgery recently and is doing very well.

Mr. and Mrs. Fred Vercoe of Tahoe Vista have just said goodbye to their son, Vincent, his wife, Betty, and their little daughter, Carol, after a week's nice visit.

Mrs. John M. Dixon of Kings Beach recently received word of the death of her mother who has lived in the east. Friends here extend deepest sympathy.

Mr. and Mrs. H. O. Adams, who purchased the Van Uden place last fall, are very happy to be at Lake Tahoe and to have with them their daughter, Mrs. Joseph R. Hobson and little granddaughter, Ellen. Adams will retire in a year or so, when he plans to build a real summer home on his beautiful lots in Tahoe Estates.

A public hazard should be called to the attention of the highway department. It is an unprotected open drain, definitely on highway property, very near our place and a trap for unsuspecting motorists. On Wednesday morning at dawn, there sat a car with its rear wheels hopelessly bogged down awaiting the arrival of the tow car. There should be some way to procure coverings or guard rails for such hazards or some means of warning the traveling public of this hidden danger.

The Kings Beach Stop 'n Shop, operated by Willis and Ruth Misner, will move to bigger quarters about mid-September, down by the Standard service station in Kings Beach.

Bill Althof is no longer on the milk route but is helping Mulford Miles, his father-in-law, with his very busy place at the foot of Brockway Hill. Taking his place will be Bill Quinn, who taught bookkeeping during evening hours at the high school in Truckee last winter.

Mrs. Helen Hall currently stopping at Abbott's Cottages reports that her husband will be released from Washoe General Hospital this week end where he was taken following an automobile accident on Mount Rose one night last week as the Halls returned from Reno where they had gone during the day to visit another member of their family then hospitalized. Hall suffered a crushed chest. Mrs. Hall sustained multiple lacerations, requiring 60 stitches for repairs but was able to return to their cabin on Wednesday. In rounding a curve, Hall attempted to avoid hitting an oncoming car that had decided to take the better half of that winding highway right out of the middle and in so doing he made contact with a tree.

Charles Benedict of Carnelian Bay, recently co-victim with one of Carnelian Bay's stately pines of a direct hit by a bolt of lightning, was out supervising the removal of that tree's remains on Wednesday of this week. Benedict, though severely injured, has recovered to a great extent. The tree is no longr there.

Pearl and Harvey Martin, now residents of Sacramento, came back to the lake to welcome their newest daughter, Donna Leah, who arrived at Washoe General Hospital in Reno last Saturday, July 7, tipping the scales at nine pounds and three ounces. Papa Harvey had expected, he said, a buck hunter but now will resign himself to the problem of training one of his daughters in the art. Congratulations, Pearl and Harvey. Pearl will remain with the Billy Martins of Tahoe Vista for the time being, having returned from the hospital on Wednesday.

Mrs. Martin L. Cramer of San Francisco was recently a guest for several days at the summer home of Mr. and Mrs. John L. Pederson near Kings Beach.

The W. A. Polzins of Reno are spending much of their time these days at their Kings Beach place.

Vacation at Zephyr—

Mrs. Silas Ross, Mr. and Mrs. Eugene Baxter and the latter's children are enjoying an extended stay at the Ross' summer home at Zephyr Cove from Reno. Ross joins them over the weekends.

Make sure your cigarette is out —KEEP OUR FORESTS GREEN!

At Zephyr Cove—

Dr. and Mrs. Lynn Gerow and children are spending a month at Zephyr Cove, Lake Tahoe. The doctor commutes each day to his office in Reno, returning to the lake at night.

SWANEE'S TAHOE LETTER

PHONE TAHOE CITY 39W

Tahoe City, July 8

Dear Tahoeites:

Here it is July 8th already and the summer is almost half over! Crowds of cars jam the highways daily. The weather is warming up a bit, which is helpful, but nights are sometimes still pretty crimpy.

Tahoe highways have been lined for the past several weeks with the blossoming snow brush (sometimes called the white lilac) and the buck brush. The sweetness of the myriad small pale cream flowers cloys the air, especially at night, and is apt to give one a headache if smelled continuously. Not always do these small shrubs bloom in profusion. Some springs the early frosts kill the buds and there are only a few bushes here and there that survive. Dollar Hill at the height of their blooming in the moonlight is heavenly.

Motorists visiting the area are warned of two things this week. One, the warning which is being broadcast daily by our forest service that the fire danger is mounting daily and as of today is unusually serious. Extreme care is urged in smoking in forest areas and in discarding cigarettes, matches, etc. The second warning is to drive with caution as the deer are becoming more plentiful as the days go by and are frequently to be found in the middle of the highway, or ready to jump into the road as the cars pass. During the past week or so several accidents have occurred due to deer. One on the Squaw Valley road where a motorist swerved his car to avoid striking the animal and turned his car over on its side. No one was hurt. A second happened in the Emerald Bay area where another motorist smashed his pickup by hanging it around a tree to avoid hitting a deer.

Mesdames Patti Scott, Bernie Bechdolt, Helen Mattheus, Elsie Bell Bechdolt and Jean Henry were among those who attended the buffet lunch and fashion show held at Cal Neva on Saturday. The Cal Neva cover girls were the models and many lovely and novel numbers were shown. All agreed that just about perfect was a cocoa brown suede suit and a white leather jacket.

Weather permitting, the new cruiser Tahoe will make the regular twice-a-day run around the lake on Tuesdays, Thursdays and Saturdays for the present, leaving Tahoe Tavern pier at 9 a.m., according to owner Bud Scott. A party of 30 on Friday night chartered the cruiser and two speedboats for a thrilling ride and dinner at a south end resort.

I inspected today the new library which Carl Bechdolt Sr. is giving to the people of Tahoe City as a memorial to his late wife, Julia. It is indeed a cozy building and will be as modern and complete as many a city library when finished by Norman Mayfield's workmen. Carl is awaiting the bronze plaque which will be inscribed and placed at the corner of the building. This gift to the town is a generous and thoughtful gesture on the part of the senior Bechdolt and will be genuinely appreciated by all book-lovers who enjoy its use. Bechdolt this week declares his many friends are sending along books which will help to fill the new and spacious shelves, and he is looking forward to the decication services some time around August first.

Two little Tahoe City children this week are the subject of very favorable comment on all sides. They are Jeanne and Bobby Landfear, children of Mr. and Mrs. R. L. Landfear. Last Monday morning, Mrs. John Quinn came to town for her mail and in her haste, she dropped a twenty and ten dollar bill, not noting her loss until much later. On Tuesday afternoon, she inquired at the post office if anyone had found the money and turned it in. Thye hadn't but the postmaster told her to contact the Landfear children who had found the money and reported it. Sure enough, it was returned safely and Mrs. Quinn breathed a sigh of relief, for who can afford to lose $30 these days? And everyone is proud of the two little youngsters who were not only observing but honest too.

Will ring off for the week and am happy to report that there were no serious accidents reported in our area during the jam-packed Fourth holiday. My best to one and all, as ever, Swanee.

Building Permits Issued In North Lake Area

Four projects in the Lake Tahoe area of Washoe County, Nevada, were included in building permits issued during June. These included one to R. H. Ehlers, Nevada Vista, $6,000; another to Clarabel Co., Crystal Bay, $2,200; another to C. A. Wellesley, Nevada Vista, $500, and one to Carl McPhee, Crystal Bay, $900. The first two were for new structures, the others for general repairs.

Nine of ten forest fires are started by man. BE CAREFUL! KEEP OUR FORESTS GREEN!

FLORISTON
by C. A. FELESINA

Mr. and Mrs. H. C. Savage are entertaining their nephew, Duane Glover, of San Bernardino. The young man arrived several days ago after an extensive rail tour. He will spend the summer in northern California before attending college next September.

Mr. and Mrs. Artie McClain of Pasadena are visiting at the home of his brother and sister-in-law, Mr. and Mrs. Lee McClain.

Mrs. Marjorie D. Thies has returned to her home in San Francisco after spending a couple of weeks with her brother-in-law and sister, Mr. and Lester Felesina. Over the 4th they all visited at the home of Mr. and Mrs. Thomas Julian at their ranch near Yerington. Mrs. Julian is a sister of Mrs. Thies and Mrs. Felesina.

Paul and Carol, son and daughter of Mr. and Mrs. Byron Miller, have returned from San Jose where they attend school and will spend the summer here.

Mr. and Mrs. M. R. Laking of Long Beach were weekend visitors at the home of the latter's parents, Mr. and Mrs. Frank Seymour. They are spending the summer at Bishop, where Laking is stationed with the Owens River Valley project of the Los Angeles water system. Their daughter, Susan, who had been visiting her grandparents, returned with them.

Mr. and Mrs. Ray Yurich of San Francisco have been spending a few days at their summer home here. They had as their guests Mrs. Molly Crumpler and son Robert and Marco Melavich, all of San Francisco.

Fourth of July holiday guests at the Julius Smits home were Mr. and Mrs. Louis Eckhoff, Mr. and Mrs. Albert Odel, Mr. and Mrs. Don Pollard and son Donny and Mrs. George Hammersmith, all of Sparks, and Albert Archabella of Las Vegas.

Mr. and Mrs. John Bush and daughter, Laura, of Marysville were weekend visitors at the home of Mr. and Mrs. Willis Burroughs.

Visitors at the Lester Felesina home over the weekend were Mr. and Mrs. E. S. McMillan and sons Ronnie and Norman of Sparks and Mrs. Buelah Murray of Brockway, Lake Tahoe.

Record Crowd Greets Trio At Debut in The Hut

HOMEWOOD— The biggest crowd of the season greeted the Foggy City Three for their debut at The Hut last Saturday night. The San Francisco musical trio, consisting fo piano, drums, saxophone and clarinet, are playing nightly for dancing at The Hut.

Ormsby County 4-H Club Picnic Held at Tahoe

CARSON CITY— Nearly 70 members, leaders, parents and friends of the Ormsby County 4-H Club enjoyed a picnic Sunday at the Nevada Forest camp at Lake Tahoe. The affair marked the annual outing of the club and was part of the planned recreation the county club provides for members. Transportation and games were planned by the executive committee.

HUFF GRANDCHILD

Vacationing at Homewood Resort are Mr. and Mrs. Don Huff Jr. and their five months old daughter, the latest addition to the grandchildren of the Huff family, from Woodland. Mr. and Mrs. S. Epperson, also of Woodland, their daughter, Lou Ann, and Mrs. Canning are also at the resort.

Make sure your cigarette is out —KEEP OUR FORESTS GREEN!

TAKE IT EASY, ENJOY YOUR VACATION, URGES C. H. P. HEAD

SACRAMENTO— Vacationists taking to the highways this summer were reminded today by Commissioner Clifford E. Peterson of the Highway Patrol that they will encounter more traffic hazards than ever before.

"For one thing," he declared, "there will be more vehicles on the roads. More vehicles plus more miles driven add up to potential danger. The surest and best way to avoid an accident is to drive as cautiously on the rural highways as on congested city streets."

Excessive speed, the commissioner pointed out, is the single greatest danger on country roads and it accounts for the majority of fatal accidents.

"Our statistics prove that to be true," he said. "A person's chances of being killed in a traffic accident are three and one-half times greater if the accident occurs on a rural highway.

"Start early, take your time, hold down your speed and be particularly careful in passing other vehicles. Those childishly simple precepts will do more to assure you a pleasant care-free vacation than any others you can follow."

Cook Electrically . . . It's Cooler

Don't let warm days make cooking a hot and difficult task for you.

A more comfortable kitchen . . . more leisure time . . . easier cooking . . . these are yours when you cook electrically. Thick walls of insulation seal oven heat inside — surface units transfer the heat directly to the utensil, instead of into the room — to make electrical cooking really cool.

This summer—and from then on—cook electrically.

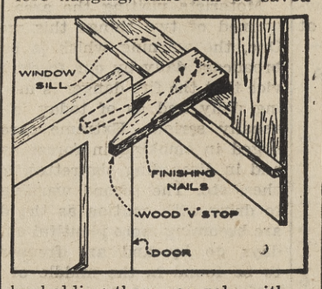
For Door-planing

When edge-planing doors before hanging, time can be saved



by holding them securely with a simple stop made of scrap lumber, suggests American Builder magazine. The door stop is made by cutting a V-shaped notch, three inches wide at the mouth and 12 inches long, in the piece of wood. Then it is tacked to the window sill, as shown in the illustration, with two thin casing nails.

Tree Farms
Some 3,0000 farmers in this country grow trees over and over again on the same land for continuing wood crops under the American Tree Farm System. More than 23 million acres of woodland are certified under the system to grow trees.

Up from L. A.—
Mr. and Mrs. Eddie Martinez and children Trudy Anne and Laddy of Los Angeles were guests of the Stan Martins from Wednesday until Friday last week. Martinez was formerly service man for the power company at Tahoe.

Placer County TB Group Has Own X-Ray Unit

Officers of the Placer County Tuberculosis and Health Association met with Dr. Saul Ruby, county health officer, on July 5 to discuss plans for the operation of the new x-ray unit recently installed at the County Health Center, 360 Elm Street, Auburn, according to Mrs. Bette Gould, president of the county tuberculosis group.

The x-ray equipment, which was purchased by the association with seal sale funds, takes a miniature film with the same speed as that used in the mobile unit which has visited the county in past years. Like the mobile equipment, the removal of clothing is not required.

Tentative plans were made to establish days and hours each week when the unit will be available to every resident of Placer County. Schedule of hours will be announced shortly.

It is hoped everyone will take advantage of this free service, which will be available after August 1, Mrs. Gould concluded.

BOY SCOUTS PLAN BACK COUNTRY TRIPS FROM TAHOE

TAHOE CITY— Tahoe City Boy Scout Troop 27 has been indulging in a round of baseball practice during the past weeks, but will turn their attention now to some trips into the back country. Bob Stark, their leader, and Jim Brehler, recreation director of the Tahoe-Truckee Unified School District, are planing a pack trip into Tahoe's rugged back country soon. The 14 Scouts favor the country around Grey Horse Meadows.

Other projected trips in the future are a fishing trip to the Sacramento River during salmon seaosn and a jaunt into the Klamath River country, weather and time permitting.

The boys meet each Thursday night outdoors at the local golf course but a room is needed since school is closed. Members all have new uniforms and are making excellent progress in their Scout training program.

Weather Welcome Relief From Valley Heat

TAHOE CITY— Warm days and crisp nights offered visitors from the torrid lowlands relief during the past week, with daily high and low temperatures recorded by A. E. Frodenberg as follows:

July 2nd: 77, 39; 3rd: 60, 41; 4th: 68, 30; 5th: 65, 42; 6th: 75, 33; 7th: 78, 36; 8th: 79, 38; 9th: low 38.

With 10 of the dam gates open, the lake level on Monday stood at 6228.73 feet.

Bishop Porter Christens San Diego Baby

TAHOE CITY— Rt. Rev. Bishop Noel Porter of the Episcopal Outdoor Chapel on July 3 christened Jesse Breuner Haugh, five months old son of Mr. and Mrs. James C. Haugh of San Diego. Mrs. Haugh is the former Sally Breuner of Sacramento and Lake Tahoe.

The rite was performed in the vestibule of the chapel with Mr. and Mrs. Clarence Breuner of Sacramento and Homewood present. Also attending were the paternal grandparents and the great-grandmother on the maternal side. Godfathers were William Bruener of Sacramento and Neil Ballard of Seattle and Godmother is Mrs. Frank Kemp of San Diego.

State Trappers Active In War on Predators

SAN FRANCISCO— More than 900 predatory animals, ranging from skunks to mountain lions, were taken during May by the 41 hunter-trappers of the California division of fish and game.

The month's catch included 243 coyotes, 162 bobcats, 58 raccoons, 69 skunks, 11 bears, two mountain lions and 319 other small predators.

The division's trapping program, a continuous campaign against game killing varmints, is the biggets of its kind in the nation. State employees account about 35 per cent of the annual take of unwanted predators in California.

Carson Girl Scouts Ready For Tahoe Camp Days

CARSON CITY— Plans for Girl Scout and Brownie day camps to be held at Lake Tahoe during July are completed and Mrs. Milton Badt, director, has announced that registrations are now closed.

Mrs. Badt and her committee, chosen from the leaders association here, have been busy completing arrangements for a series of camp days full of fun and good scouting.

All campers will be insured against accident or sickness and every precaution is being taken to assure a safe camp. The girls are looking forward to their outings with enthusiasm.

Trout, Salmon Fingerlings Proven to be Hardy

LA JOLLA— Frail-looking fingerling trout and salmon are very nearly indestructible, recent experiments at the University o California's Scripps Institution of Oceanography indicate.

The experiments were conducted by Andreas Rechnitzer who wanted to observe the reaction of young fish to high hydrostatic pressures.

The small, shallow water fish showed no apparent damage after being in water in pressures up to 1000 pounds per square inch, the equivalent of water approximately two fifths of a mile deep.

Origin of the experiments was the desire to know if small fish could survive rapid descents from high levels necessitated by devices proposed by engineers to allow passage of fingerlings down dammed streams.

PINELAND CONCERT WILL AID FIRE DEPARTMENT FUNDS

TAHOE CITY— Charles Beardsley, Pineland realtor, is doing his bit this week in aiding in filling the coffers of the Tahoe City Volunteer Fire Department and in assisting Clarence Beavers, Tahoe National Forest officer stationed at Tahoe Park.

Beardsley is sponsoring, with the help of his Pineland neighbors, a Swedish minstrel show to be held in Pineland Bowl on July 14 at 8:30 p.m. The bowl is several blocks back from the highway in the tract which has been developed by builder Bert Anderson, with long log seats and a stage below. Saturday night concerts have been held ever since the inauguration of the tract. Electric lights have been strung and a piano is kept there during the summer, Mrs. Beardsley being the official accompanist.

To be seen on Saturday night are the Oakland Tune Spinners, an organization of 32 bay area realtors who have been trained by Beardsley, a music teacher of note. They will also be seen in a series of folk dances, along with other outstanding artists, including Mrs. Francis Carlson of Burlingame, well known soprano who is heard frequently in concert down the peninsula and in the bay area. At least 300 spectators can be seated comfortably in the bowl and additional seating is being provided.

Mr. and Mrs. Del Richards of Oakland will give a garden potluck supper at their Pineland home for the artists and their friends before the performance.

A small charge will be made for admission and the money realized will be divided between the fire department and Beavers. The latter plans to purchase a projector with which to show to various Tahoe organizations some of the excellent movies available through the Forest Service and other organizations. Tickets will be on sale at the Village Store, Truckee-Tahoe Lumber Co., Tahoe City Garage, Jack and Dinty's Market, Atherton's and the Lake Tahoe Chamber of Commerce in Tahoe City, and at Sturgis' Market in Tahoe Park.

Tiffanys at Homewood—

Mr. and Mrs. W. L. Tiffany of Stockton have opened their house at Homewood for the summer and have been enjoying the lake fishing.

How to make Wise Tracks to a Beauty

How do you buy a new car?

Are you one of those people who buy on love at first sight?

Or do you check cars feature for feature, price for price—then pick the one that gives you the most for your money?

Whichever you are, we'd like to suggest that you come in and see our 1951 Buicks.

It's a sure bet you'll go for the swift, smart look of a SPECIAL, SUPER or ROADMASTER—fall seriously in love with the pace and power of its bonnet-filling engine.

And it's a cinch you'll go for the room and richness of those Buick interiors—the serene smoothness of Dynaflow Drive* and all-coil springing.

But don't let your emotion be the only judge—get the practical picture too.

Note that the power that gives you such a big kick here comes from Buick's famed valve-in-head Fireball Engine—which means you get a lot of miles from each gallon of gas you buy.

Note that the silken ease you enjoy with Dynaflow* goes hand in hand with real money savings in maintenance costs.

Above all, note what a Buick's price tag includes—how much more sheer automobile you get in a Buick than the same money would buy elsewhere.

How about making tracks to our showroom right soon—checking thoroughly into the matter—and see if *you* don't fall in love with a smart-buy Buick?

Equipment, accessories, trim and models are subject to change without notice.
**Standard on ROADMASTER, optional at extra cost on other Series.*

PLACER SUPERVISOR DISCUSSES JOB AT LAKE ROTARY MEET

HOMEWOOD— The Tahoe City Rotary Club met Tuesday, July 10, at Homewood Resort with 56 members and guests in attendance. The meeting opened by unity singing of the National Anthem, Denis Sach leading.

President Don Snyder introduced the visiting members. L. L. Anderson, fifth district supervisor of Placer County, spoke on his early life and how he eventually became a county supervisor. He told of the various past district supervisors and the work that has been accomplished.

He stressed that his work was to improve as many roads in the district as possible to insure better and safer travel conditions for all. With roads now under repair at Lake Tahoe, Anderson said many people were wondering why such repairs had to be done during vacation time and explained that to do good road work crews have to have roads at a certain temperature and July happens to be the ideal month for such work.

Snyder thanked Anderson for his talk and then introduced the speaker for next week's Rotary meeting, State Senator Verne Hoffman of Lodi.

Visiting Rotarians present were Burton A. Towne Jr., Lem C. Beckman, Arthur S. Boehmer, R S. Fuller, Arthur Beckman and V W. Hoffman, all of Lodi; Verne Mann, Rt. Rev. Noel Porter, C. W. Breuner, of Sacramento; Hal M. Atkinson, Bert C. Scott of Piedmont; Col. N. M. L'Abbe, Allie Davis, Kelseyville; W. Casteo Jr., San Rafael; Reg Lighty, Placerville; Jim Conklin, Acampo; Al Caton, Reno; Jim Robinson, Marysville; Norman Neal, Viggo Nissen, Petaluma; Jim E. Bronson, Susanville; James W. Lowrie, Burlingame; F. C. Wheeler, Irving G. Moulin, San Mateo; Dwight Lasell, Martinez; C. F. Henrick, Walnut Creek; Lewis P. Singer, Los Altos; Walter Reynolds, Auburn; Tom Buell, Truckee; David Hamilton, Pomona; S. N. Epperson, Woodland; L. L. Anderson, Forest Hill; J. T. Geoffrey, Los Gatos; J. E. Walz, San Francisco, and Clarence Kellogg of Apopko, Florida.

PAY BOOST—Fourth Grade Teacher, Patricia M. Lehman, of Sacramento, Miss California of 1951, smiles approval as Governor Earl Warren signs bill boosting minimum salary for teachers from $2,400 to $3,000 a year. The bill, sponsored by California Teachers Association, of which Miss Lehman is member, makes California the first state to set a $3,000 minimum. "Teaching," says Miss Lehman, "is the greatest profession in the world."

Schools Take Big Bite Out Of Tax Dollar

Property tax dollar in Nevada County for 1950-51 was divided 43 cents for school districts, 46 cents for general county purposes, 9 cents for the cities 2 cents for special districts, California Taxpayers Association reports. Total levy for 1950-51 was $1,161,707.

TAHOE FOREST PAYS ITS OWN WAY STATES SUPERVISOR

NEVADA CITY— Guerdon Ellis, supervisor of the Tahoe National Forest, stated today that the Tahoe Forest receipts for the fiscal year ending June 30, 1951, total approximately $650,000. This income comes mostly from the sale of publicly owned timber. Income from the grazing of cattle and sheep, leasing of summer home residence lots and resort sitess, contributed to this total.

This marks the first time, Ellis said, that the Tahoe Forest income has exceeded its expenditures. Such expenditures include fire preparednesss, fire suppression, road and trail construction and maintenance and other general operating costs.

The outlook for the next fiscal year, starting July 1, is that the Tahoe Forest income will be considerably higher than for the year just past. Ellis predicts that at least one million dollar income will be realized with a good chance of hitting more than that.

Twenty-five percent of these monies will be returned to the three counties in which the Tahoe Forest lies—Sierra, Nevada and Placer Counties—will each enjoy a share of the $160,000, based in proportion to the acreage each has to the total forest acreage under government ownership. Sierra County also receives a part of the income of the Plumas Forest and Placer County receives a share of the income of the Eldorado National Forest.

The Forest Service provides its own fire protection, road construction and maintenance, protection against disease, protection of water values, providing public campgrounds, etc. No share is paid by the counties or state. Such lands are not subject to county taxation but here is returned to the counties 25 percent of all monies received from the utilization of the forest's resources. Considering the lack of expenditure by the counties for these purposes, the return to the counties is a good deal greater than the net gain would be if the lands were taxed and the services provided by the county government, Ellis said.

SUMMIT SCENE

by FRAN COUILLARD

"Grand Openings" are coming so thick and fast of recent date that it is hard for an establishment to find a date that isn't taken. The super grand re-opening of the Soda Springs Hotel, scheduled for this coming Saturday night (July 14th, between 4 p.m. and 2 a.m.) is arrived at with great anticipation by those who have hankered to have a look at what could be done to an edifice that was so well known and whose appointments were so firmly fixed in the mind's eye. We could tell you—but we won't! Come and take a look yourself. Soft lighting and exquisite tones; inside decor and modern fantasy; nuance of copper and delicate pastel and yet sturdy! Can't imagine it, can you? 'Tis true and lovely.

Crews have been working day and night. To top it off, the owners, the Chaplins (Doris and Brant) await their first grandchild. Remember the Thanksgiving and Christmas dinners you have planned for the whole family? Expect them any minute and don't know how you'll get the dinner ready, the house in order, the linen changed, the silver polished and what not? Yet you managed it somehow and awaited the first guest with a smile and not a hair out of place and they never guessed the struggel that existed to make the party a success. That's the way it will be at the Soda Springs Hotel grand opening, we know.

So we'll be meeting you there.

The Donner Ski Ranch burst out in summer finery last week with Pat and Jack Woodard doing the honors at their summer opening too. New tile on the floors, a stone work grand staircase on the facade side that made us think of the stairs to the first balcony of the Metropolitan Opera. A live orchestra with super duper music. We were happy to see Herstle Jones round and about as he helped the Woodards get going after a couple of months of shut down. John Richards, their chef, dropped out of this wing ding the last moment when he was taken to the hospital with an attack of pneumonia. Still the party went smoothly with Pat pinch hitting and turning out a heavenly buffet.

Smorgasbord at Donner Summit Lodge runs smoothly with all of the localites hitting the boards on Saturday night, and regularly. Hear that Donner Florists made up the Fourth of July flag that graced the table recently and it was a grand job. Margaret Merrill, whose fabulous chiffon cakes have been the talk of the mountain for a few years, bakes the birthday, anniversary and special events cakes for the smorgasbord parties. Of the more than 80 Kinvalites who own homes in that area, think we saw about half around last week's board.

A mountain wild flower this week to Elmo Moriano who still maintains his swimming pool at Beacon Hill, open to the public wthout charge. In these later hot flashes that the hill and the area has been experiencing, the pool is flashing with swimmers. And that isn't all—the Red Cross swimming lessons are on again this year for the kids, all free of charge. Elmo awaits new furniture for his apartment and a free date so that he too can have a party.

We don't know just how to bring up the following but we'll quote, "No more money available for the development of our riding and hiking Emigrant Trail from Donner Monument to Chicago Park." Upon inquiry as to what work was going on this summer, the above quote was our answer. Sixty miles is a long, long stretch to patrol when one is as busy as we happen to be at this minute but we understand that petitions have to be circulated and what not to get our state body heads to find out why and what. We will always remember this particular quote, "This sixty mile trail can mean as much to the area in summer as skiing and snow sports in the winter." If this assertion is only 25 percent correct, then we should really get in there and find out what's holding us back. Wish sombody else was as interested in this sixty mile open gate to the hikers and horsemen of northern California as we are.

Another weekly function that is packing them in is the Ice Lakes Sunday aftrenoon barbecue, Bill Rutherford, outdoor chef. Looking at a beautiful sunset while the twin lakes break open with jumping fish, whilst you chew on a chicken bone or push your knife into a juicy steak to the accompaniment of soft music, what more can you ask for a Sunday evening?

Back with us is Evelyn Gray and youngsters for the summer. Visiting the Misenres is little "Bub" Hartz from Martinez. And speaking of the Miseners, we see another foundation popping up which means another addition to their future motel. Jim Sherritt squats on the rear end of a new pickup in front of his residence which means that after Jim's long retirement, he is going back in the sheep business again. Mrs. Sherritt plans a trip to New York very shortly to visit her daughter, whose husband is very prominent in TV work in the super city.

We close with the "cutie of the week", little Lynn Aro. Lynn, who visited the wing ding with her parents for a couple of hours at the Ski Ranch and had to leave because she is only 18 months old and must hit the sack, was delighted with the "live" music. In executing a few dance steps that she had learned within her short period of living, Lynn brought down the house and was refreshing as well as a delight to behold. The coins that were given her by delighted beholders will go for Defense Savings stamps. And it didn't spoil Lynn a bit!

LOVELY— Gale Sherwood, glamorous prima donna now gracing the Music Circus stage at 15th and H Streets in Sacramento, will appear as the young widow, Sonia, in next week's production of THE MERRY WIDOW opening Tuesday evening.

SQUARE DANCERS TO PERFORM AT HOBBY FESTIVAL

As the AAUW Hobby Festival weekend approcahes, more and more signs of the big event to be held at Tahoe City July 20, 21 and 22 confront the citizenry. Stores are displaying posters describing the festival and bright yellow pennants are seen along the highways and byways, pointed the way to Tahoe City.

One of the attractions of the festival will be square dance exhibitions by the Tahoe Twirlers, a group of folk dance enthusiasts who meet regularly to have a lot of fun working out to perfection their dance patterns. These exhibitions will be presented each evening at the tennis courts on the Tahoe City school grounds. They have an extensive library of folk music, complete with expert callers and the public will be invited to join in the fun, following the exhibitions.

Beside the folk dancing, there will be more conventional dancing until midnight to the tunes of the orchestra organized by Foster Record of Tahoe City, which has gained high praise at recent local events.

(SUPPLEMENTAL) PROCEEDINGS OF THE BOARD OF SUPERVISORS FOR THE MONTH OF JUNE, 1951.

June 25th, 1951

The meeting of the Board of Supervisors convened at 10 o'clock A. M. pursuant to adjournment. The meeting was called to order by Chairman H. G. Loehr, and, upon roll call, all the members were noted present. The minutes of June 21st were read by the Clerk, and, no errors or omissions being noted, were adopted as read.

The Board set the County Trapper's salary at $180.00 per month with the further sum of $70.00 for the expense of driving his own car. The Chairman and the Clerk were then authorized to execute an agreement with the U. S. Department of the Interior, Division of Wildlife and Fish Service, covering the fiscal year 1951-52.

The Board set the salaries of the three Justices of the Peace at $3000.00 per annum.

The Board adopted Ordinance No. 179 and ordered the same published in the Sierra Sun.

Ordered the sum of $1134.50 transferred from the Special Road Improvement Fund to the General Road Fund.

Ordered the sum of $34,953.37 (In Lieu Taxes) transferred from the General Fund to the Special Road Improvement Fund.

Ordered that the "In Lieu Taxes received from the State of California" be divided as follows for the fiscal year 1951-52: 50% to the Road Department to be deposited in the Special Road Improvement Fund and 50% to the General Fund to relieve the tax burden.

The Board then proceeded to examine the Road Department budgets until the hour of recess arrived. Adjournment until June 29th, 1951, at 10 o'clock A. M.

June 29th, 1951

The Board of Supervisors convened at 10 o'clock A. M. pursuant to adjournment. The meeting was called to order by Chairman H. G. Loehr, and, upon roll call, all the members were noted present. The minutes of the meeting of June 25th were read, and, no errors or omissions being noted, were ordered adopted as read.

The Board approved for filing the subdivision maps of the Donner Lake Development Company's "Waltz Tract" and "Donner Park Subdivision." The Chairman and Clerk were authorized to sign the same on behalf of the Board.

On recommendation of the County Superintendent of Schools, the Auditor is ordered to include the sum of $5200.00 in the 1951-52 budget for the care and education of mentally retarded minors.

The Board authorized the Chairman and Clerk to execute an agreement with the City of Grass Valley for rental of space for the Justices Court of Grass Valley Township at the rate of $50.00 per month commencing January 1, 1952.

The Board proceeded to examine departmental budgets presented by the Auditor until the noon recess and reconvened at 2 o'clock P. M.

The Board received certified copies of Resolutions 12 and 13 of the Donner Summit Public Utility District, referring to said Board the protests of certain property holders to the inclusion of their propetry in said District. The Board set Tuesday, July 24th, 1951, at 10 o'clock A. M. in the Chambers of said Board as the day and hour for hearing and determining said objections, and ordered the Clerk to give legal notice of the hearing in the Sierra Sun.

The Board ordered that this Board retain the present Insurance Agents of Record, Mr. Stanley Halls and Robert L. Tamblyn, and that said agents of record retain 40% of all insurance premiums for their own use, and 60% of the premiums to be divided between other agents designated by the Board. Final decision on the proposed new insurance on all county building will be taken up at 3 P. M. on July 2nd, 1951.

Supervisor Frank J. Rowe is granted permission to be absent from the State of California from June 30th, 1951, to and including July 15th, 1951.

The County Treasurer, Miss Elma Hecker, reviewed the insurance protection of the Treasurer's office with the Board, and with the Insurance Agent of Record, Stanley Halls, recommended adequate coverage. The recommendation was ordered adopted.

Th Board authorized the payment of claims as follows:

GENERAL FUND, Warrants Nos, 17612 to 17762 ..... $19,888.12
VET'S. BUILDING FUND, Warrant No. 149 ..... $200.00
SPECIAL ROAD IMP. FUND, Warrants Nos. 1388 to 1490 ..... $25,262.29

Nothing further to come before the meeting, the meeting adjourned sine die.

R. E. DEEBLE
County Clerk and Ex-Officio Clerk of the Board of Supervisors.

Aerial Fish Planting Will Begin Monday

Allan F. Pollitt, assistant supervisor of state fish hatcheries, announces that an aerial fish planting of back country lakes in El Dorado, Placer, Alpine and Amador Counties will begin from the Minden airport next Monday. The expedition will cover 120 lakes and distribute some 625,000 fingerling trout. Included will be around 90 lakes in the Desolation wildlife area.

To plant these latter lakes, Pollitt said, it formerly took a contract for 10 head of pack animals for 60 days. This entire plant will take six days, he said. The fish will be brought from the Tahoe state hatchery to Minden by truck.

An aerial plant from Beckwourth, Sierra County, has just been completed. This distributed 478,000 trout from the Feather River hatchery among 95 lakes in Sierra, Nevada, Plumas and Placer Counties.

Nevada County Aided By Federal Subventions

Under present federal law, Nevada County will get approximately $392,000 in federal funds for its public assistance programs during 1951-52, based on a projection of aid payments during 1950-51, California Taxpayers association reports.

Federal funds going toward the $80,045 aid paid in the county during April, 1951, amounted to $32,630 or 40.8 per cent of the total aid paid out. State funds amounted to $37,709 or 47.1 percent. County funds for the one month amounted to $9,706 or 12.1 percent of aid payments.

"Such so-called 'gifts' from Washington cost Californians more in taxes than they ever get back in subsidy," the association declared. "Every dollar of federal subsidy to California costs Californians about $1.25 in federal taxes."

Statewide, California can expect about $128,000,000 in federal funds towards its $330,000,000 public assistance bill—aid to needy aged, blind, dependent children and others—during 1951-52.

Little Visitors—

Mr. and Mrs. R. N. Little had as their recent guests Miss Jean Creelman of San Diego, niece of Little who is doing Girl Scout encampment work, and their granddaughters, Barbara and Mary Vertner, of Alameda.

Tonsils Removed—

Don and Daryl Breakfield, sons of Mr. and Mrs. Hugh Weinand, had their tonsils removed Wednesday morning in Reno and will return home today. The operation was performed by Dr. Moulton of Reno.

Installed as Queen—

Marcia Weeks, former local girl, was recently installed as honored queen of Auburn Bethel of Job's Daughters.

On Vacation—

Mr. and Mrs. Joe Straub are enjoying a vacation in the bay district.

Fine, Probation Levied Against Tree Cutter

On July 5, Victor E. Mace pleaded guilty in Justice of the Peace Alden Johnson's court at Sierraville on a charge of trespass.

Mace cut 143 trees on National Forest land during October, 1950, without a permit, in the Webber Lake area. He was fined $200 of which $100 was suspended. He received a 30 day jail sentence, also suspended, and placed on probation until July 5, 1952.

Tarzan

by EDGAR RICE BURROUGHS®

CURIOUS, TARZAN APPROACHED THE WOUNDED LION. THE BEAST LAY SUSPICIOUSLY STILL--THEN, IN FINAL DESPERATION, SPRANG!

WEAKENED FROM THE WOUND, THE LION COLLAPSED. THEN NUMA EYED TARZAN WITH SOME MISTRUST AS THE APE-MAN CLEANSED THE GUNSHOT WOUND.

TIME AND TENDER CARE HEALED THE LION'S HURT, WHILE TARZAN STOOD GUARD. THEN, ONE DAY, NUMA ROSE STIFFLY AND STRETCHED. THE APE-MAN TENSELY AWAITED THE BEAST'S REACTION TO HIS PRESENCE.

SILENTLY MOVING FORWARD, THE BIG CAT RUBBED AGAINST TARZAN'S LEG, PURRING CONTENTEDLY!

SOON THEY BECAME FAST FRIENDS--HUNTING, EATING TOGETHER. A MAGNIFICENT PAIR--THE BLACK-MANED KING OF BEASTS AND THE BRONZED JUNGLE GOD!

...ONE DAY THE TWO COMPANIONS SNIFFED THE AIR--TARMANGANI! WITH AN ABRUPT ROAR, NUMA CHARGED THE DELIRIOUS WHITE MAN, IGNORING TARZAN'S COMMAND TO STOP! NUMA'S RAGE WAS SPARKED BY RECOGNITION. THIS WAS THE MAN WHO HAD SHOT HIM!
